NOT valid for oversized cargo, Upperdeck cargo, VAL, AVI, or any other Class rated cargo. For cargo requiring special handling (forklift for pieces with individual weights over 2000 Kg, or pieces with oversized dims) or identical transport, extra charges will apply and will be charged as per outlay. For cargo other than General Cargo: special rates can be obtained from this office upon request. These rates are only valid pro supplier and / or consignee and / or pro shipment. These charges are valid for all airfreight offices within Belgium, unless otherwise specified by the appropriate office. Negotiations on aswell airfreight, standardcharges, as incoterms are only possible prior to the shipment departure. We do no longer negotiate after the departure of the shipment(s) or after the debit notes are issued It's therefore VERY important you do provide us clear instructions : M.A.W.B., H.A.W.B., Invoicing , etc. Special note: pls. note that FOB is no longer accepted as incoterm for air freight shipments (incoterms 2010). Therefore any commercial invoice showing FOB will be handled as F.C.A. (correct incoterm) We do no longer negotiate such incoterms and related charges after despatch of such shipment. We always request a written P.O.D. on each shipment. Please provide us this written P.O.D. either by e-mail, either by fax, and this as per P.O.D.-request we always send along within our pre-alerts. For WICE & TT-Secure users: please enter ALL P.O.D. data directly into TT Secure!!!! Payment conditions / terms: 30 days from our invoice date, unless otherwise agreed</p> <p>These rates are valid from January 1st, 2022 till Dec. 31st, 2022 or till further notice.</p> <p><i>This issue replaces all previous issues, with or without prior notice.</i></p> <p><small>« All our transactions are subject to the Belgian Freight Forwarding Standard Trading Conditions 2005.
