

Standard Shipment Definition.

General Cargo
Non-hazardous
Non-perishable / temperature controlled
No Shockwatch / Tiltwatch
No Classified as Valuable / Vulnerable.

Standard Collection is based on a Standard Consol Truck. Service is from curbside only.

Collection point must have suitable access, parking and loading facilities and shipment should be packed suitably for export.

Commercial Invoice and Export documentation to be provided by the shipper. We do offer a consular documentation service where required and pricing is case by case. Insurance excluded unless specifically confirmed by our team.
