Annotation

- Unless otherwise specified, this quotation is without engagement and based on rates, surcharges, tariffs and rates of exchange valid today and as such is subject to change with or without prior notice.
- This quotation is based on carriers of our choice and subject to space and equipment availability.
- Cancellation fees may be applicable if bookings are cancelled at short notice and as per carrier's conditions.
- Extraneous customs fees and charges as well as disbursements such as duties and taxes are not included and are additional.
- In case of DDP shipments please note that duties, taxes, possible other fees and charges, based on the indicated HS-codes are subject to approval by customs and other relevant authorities and as such are quoted without engagement.
- Please note that many countries have complex import regulations and procedures and require special import licenses and permits.
- In case of EXW shipments please note that our quotation is based on "shippers load and stow" conditions, therefore do not include any costs for loading and stowing as well as possible required crane and equipment provision which would be charged additionally.
We can provide you with a quotation for these costs upon request and if required.
- Transport Insurance is not covered in this proposal but can be arranged if required.
Please provide us with a written request if we are to cover transport insurance on your behalf.
- Amounts shown in this quotation in different currency will be charged in EUR based on the vessel exchange rate.
- Final rates are based on the actual date of shipment / Bill of Lading date.
- Acceptance and handling of shipments is subject to full compliance with applicable dual use legislation and controls
- Please note that for IMO shipments to Shanghai a special approval procedure must be completed prior to shipment.
- For shipments under Letter of Credit please provide us with a copy of the L/C or all stipulations regarding transport and documentation as early as possible or latest at the time of booking.
This is required in order to check compliance with the terms of the L/C.
- For EXW shipments where a. hartrodt is to provide export customs clearance, we require a power of attorney (POA), which must be duly signed by a Dutch or EU based and registered exporter. Without this authorization, signed by an authorized person, customs formalities 'we will not be able to complete.
- Payment terms are as agreed.
- **The Dutch Forwarding conditions (FENEX) are applicable to all our activities.**
